# Cocktail (and class) of the Week

## 05. February 2010

It's about the time to be dropping subtle hints to your loved ones with 9 days to go til Valentine's – so here are a couple of quirky suggestions in cocktail format.

[Gilgamesh](#) has created a seasonal pink martini called 'Diamonds are Forever' which costs just £10. But in one glass they have hidden a diamond which the lucky finder can have made up into a piece of jewellery worth £1,200! Drinking suddenly got a whole lot more glamorous...

Or if that sounds too flashy, the purveyors of elegance at [Hendrick's Gin](#) have set up a Refined Courtship Clinic – opening Feb 12<sup>th</sup> on Rupert St in Soho – to offer advice on how to woo politely and courteously ...and then if that fails, how to woo with their decadent punch (which comes served in a teacup) or the Black Rose, which is the ultimate in 'saying it with flowers'...

### BLACK ROSE

25ml HENDRICK'S gin  
5ml St. Germain elderflower liqueur  
1 teaspoon rose petal jam (or black cherry jam)  
Top with Champagne

#### Method:

Add HENDRICK'S, elderflower and jam lovingly to a cocktail shaker full of ice. Shake hard for 3 seconds then strain into a Champagne flute.

Gently top with Champagne and garnish with a rose petal.

WE'RE SO GOING TO THE COURTSHIP CLASS:
