Diamonds are forever at Gilgamesh

20th January 2010

On Valentine's Day, Gilgamesh will be hosting a romantic set menu, designed by Head Chef Ian Pengelley, which will showcase the best of his delicious pan-Asian cuisine at £45 for three courses.

However, throughout the whole of Valentine's weekend, guests are invited to try the exclusive Valentine's cocktail, a delicious pink martini called Diamonds Are Forever (£10).

On draining their glass, one lucky guest will find a real diamond worth £600 at the bottom of their cocktail from Karl Karter Fine Jewellery.

They can then have a one to one consultation with Karl at his luxurious studios in Hatton Gardens and he will design and make a bespoke setting of their choice for the stone. With a total retail value of at least £1,200, this is a Valentine's Day cocktail that will definitely be a girl's best friend!
