Last night there was a Lott going on at Gilgamesh, Camden! Filling the place with fashionistas, London hipsters and a lot of pop attitude, Pixie Lott and Lipsy premiered their new autumn/ winter collection.

From the big smiles on arrival, we're sure it must have been a proud moment for the popstress and what perfect timing for a fashion launch after Pixie's front row seat hopping (Ashish and Jaeger to name a few) during London Fashion Week.

You can see the full collection [here](#) but check out Glam's Pixie Lipsy Picks:
