### Gilgamesh to host a terrifying Halloween Party

Darkness falls across the land, Halloween is close at hand. On Saturday 30th October, Gilgamesh will be throwing a truly terrifying Halloween party.

It promises to be an evening of unforgettable music and visual displays as well as a huge amount of ghoulish goings on. Music will be provided by DJs who promise to wake the dead and keep revellers – all but the vampires – dancing until the dawn!

All of which can be enjoyed whilst you sip on the spine tingling Halloween cocktail made up of Eristoff Vodka, Blackberry and Raspberry puree, two chunks of Watermelon finished off with two gory lychee 'eyeballs' served on a chilling bed of dry ice.

The party kicks off at the witching hour of 10pm in the Studio, which will be transformed into an eerie land, shrouded in mist and full of hidden dangers lurking around every corner.

So don your spookiest attire and head to Gilgamesh for the fright of your life.
