Last night Danielle Lloyd arrived at Gilgamesh in North London with her footballer fiancé Jamie O'Hara, for the launch party of Pixie Lott's new Lipsy fashion range.

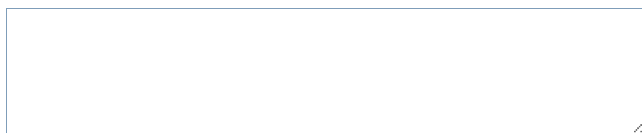

Can you believe the 26-year-old model's got an 11-week old baby at home? We can't, she looks amazing, talk about yummy mummy! We wonder what her secret is? Oh, maybe it's this...

After last night's party she Tweeted, "*Nearly home to my son miss him so much stopping for a chicken sheesh on the way bloody starving ha ha X*"

A [chicken](#) sheesh? Now that's the kind of diet we like!
