Pixie Lott Launches New Lipsy Collectio...

Fraser on Oxford Street yesterday because she was there for a photocall to launch her Autumn/Winter fashion range for Lipsy.

After posing for several pictures in a black dress, over the knee socks and wide-brimmed floppy hat, the Mama Do singer slipped into an [animal](#) print dress and headed to Gilgamesh for the official launch party, which was attended by a whole host of celebs...

Stay tuned Gilgamesh pictures coming right up!
