Lacey Turner took home [three awards](#) for her role in [Eastenders](#) at the Inside Soap awards at Gilgamesh in London last night. Lacey won the Best Actress, Storyline and Couple (with Charlie Clements) awards, and the BBC soap managed to receive [nine of the fifteen awards](#), beating rivals [Coronation Street](#) and [Hollyoaks](#).

Jennifer Metcalfe and soap star Tointon sisters Hannah (ex-[Hollyoaks](#)) and Kara ([Eastenders](#)) were also looking glam, with Kara taking home the award for Sexiest Soap star yet again [in her gold dress](#). Kara's costar Robert Kazinsky (aka Sean Slater) was named Best Actor as well as Sexiest Male. Do you agree with the winners?

The tit rings just make her look broad and a little flat chested... very questionable dress... also why the random photo of Stu.. he he soon to be the next new pretty boy on Hollyoaks?

hahah thanks littlemunchkin! yeah I wanted to make a comment about the dress, but I couldn't think of anything truly appropriate ... maybe tea saucers or something. I mean, why?? And secondly - STU??? WHY/!?!?!?

Stacey and Bradley are the only characters that I like. Otherwise I would not be able to tolerate Eastenders. Oh Christian is cute!

Not sure of their dresses either. Loved the saucers comment haha, that's exactly what I thought too! 🤔

Surprised no one mentioned Hannah's hair- it looks bizarre on her. Scraped back like that doesn't work with her face shape at all.
